Re: Mitel NetSolutions, Inc.
FCC - Access Tariff Filing
Docket No. T-02585A-05-0710

Dear Sir or Madam:

Pursuant to the Federal Communications Commission's November 18, 2011 Report and Order requiring the filing of switched access tariffs by all local exchange carriers, competitive local exchange carriers, and competitive access providers, Mitel NetSolutions, Inc., does not provide access services and does not have an Access Tariff on file. Therefore, no tariff filing is required in Arizona.

If you have any questions or if I may provide you with additional information, please do not hesitate to contact me. Thank you.

Respectfully submitted,

Janet Willis
